New Spring Coats

With Warmth as well as Smartness

FOR many years fashionable women of Winnipeg have been looking for a really ideal Spring Coat—one with all the swagger and appearance that could be desired, yet warm enough to be comfortable in the cool Springtime air, when the Fur Coat is first laid aside.

This season we are showing the smartest of smart Spring Coats, fashioned in light-weight wool fabrics, that will give you all the warmth you want in a weight that can be worn well into Summer.

Outstanding among these offerings are the famous—

Shagmoor TOP COATS

Suitable for all occasions of wear—except the formal—designed for service in all weathers. These Coats are very moderately priced from—

\$37.50 up

We cordially invite inspection of Our Spring Display

Shagmoor Top Coats are exclusive to this store in Winnipeg
